Akhanda Bhagavad Gita Parayanam

Govardhana Kshetra, Bangalore

Oct 12th 2025

With the divine blessings of Sri Krishna, Bhagavad Gita Akhanda Parayanam was held at Govardhana Kshetra, Bangalore, in an atmosphere filled with devotion and serenity. A total of 62 devotees, aged between 5 and 70 years, participated with great enthusiasm and reverence.

This special event was organized to honour and recognise the sincere efforts of our Kutumba, who have been performing daily Bhagavad Gita Parayanam online for four consecutive years — 365 days × 4 years - 1460 and still counting! Their unwavering

commitment and consistent sadhana inspired everyone present to deepen their connection with the Gita.

The Parayanam began at 9:00 a.m. and concluded blissfully at 12:00 noon. It was heartening to witness the unity of devotees — a few recited all 18 chapters, some chanted the portions they knew with deep faith, while others sat in silent meditation and attentive listening, absorbing the divine vibrations of the sacred verses.

Adding to the spiritual significance of the day, an inspiring event followed the launch of the Bhagavad Gita audio app, “GitaMitra.” The app was released by a devoted Gita practitioner who is physically and mentally special, symbolizing that the message of the Gita transcends all boundaries and reaches every sincere heart.

After the Parayanam and app release, all participants and devotees were served prasada lunch within the temple premises, sharing both nourishment and divine grace.

The entire program was the result of three months of sincere preparation and collective effort, guided by devotion and love for Lord Krishna and His eternal words. The event stood as a beautiful reminder of the Gita's timeless message — that true devotion lies in participation with a pure and sincere heart.

Sri Krishnarpanamastu!
